

635 PIANO INTERRATO

Questo restituzione planimetrica è indicativa esclusivamente della distribuzione interna. Non può quindi essere ritenuta esatta né come superficie, né come volume, né come statica.

This planimetric reproduction is exclusively indicative for the internal distribution. It can not therefore be taken to be exact either as the surface area, or as the volume, or as the static.

Diese planimetrische Darstellung gibt lediglich die interne aufteilung wieder. Sie kann als "exakte" Wiedergabe weder der Fläche, noch der Volumetrie, noch der Statik betrachtet werden.
